The Power of Less: *The Fine Art of Limiting Yourself to the Essential... in Business and Life* by Leo Babauta

Do Less. Get More Done.

With the countless distractions that come from every corner of modern life, it's amazing that we're ever able to accomplish anything. *The Power of Less* demonstrates how to streamline your life by identifying the essential and eliminating the unnecessary - freeing you from everyday clutter and allowing you to focus on accomplishing the goals that can change your life for the better.

***The Power of Less* will show you how to:**

- * Break down any goal into manageable tasks
- * Focus on only a few tasks at a time
- * Create new and productive habits
- * Hone your focus
- * Increase your efficiency

You can find the book at amazon.com and other retailers. To learn more about *The Power of Less* visit <http://thepowerofless.com/>

The Blueprint TFW™ Spring 2010 Issue

"Getting and Keeping the Job you Want in a Tough Economy"

Chances are you or someone you know is worried about staying employed or finding a job. With the national unemployment rate hovering around 10%, we *all* need to be concerned about how to keep the jobs we have or, when conducting a job search, land the right job relatively quickly. Dr. Lois Frankel tells TFW readers how to get and keep the job you want in tough times.
